Chattanooga, Tenn.,  
July 15th, 1915

A bridge 250 feet above the  
Kentucky river will be built on  
the eastern division of the Dixie  
Highway between Knoxville and  
Cincinnati, according to the pres-  
ent plans of the county officials  
of Fayette and Madison counties  
Kentucky. The bridge which  
has been proposed by Judge  
Bullock of the Fayette county  
court will be constructed at or  
near Clay's Ferry between Lex-  
ington and Richmond and will  
cost in the neighborhood of  
\$150,000. The plan of construct-  
ing the bridge, which will be  
used for the public road and an  
interurban electric road was  
evolved at a conference between  
Judge Bullock, Col. Harry B.  
Hanger, of Richmond, vice presi-  
dent for Kentucky of the Dixie  
Highway Association, W. J.  
Sparks, of Mt. Vernon, president  
of the East Tennessee-Kentucky

Dixie Highway Association, and  
R. E. Turley, of Richmond,  
Edwin L. Quarles, secretary of  
the Lexington Chamber of Com-  
merce, and the Richmond Com-  
mercial Club are actively backing  
the Bullock plan for the Dixie  
Highway bridge over the Ken-  
tucky river.

The new bridge will be free of  
toll, in accordance with the re-  
quirements of the Dixie High-  
way Association, as only the  
Dixie Highway bridges over the  
Ohio at Louisville and Cincinnati  
are to be allowed to charge toll.

The advocates of the new  
bridge believe that it would be  
better to build a new bridge  
than to buy the old one, the sug-  
gested plan being to build a high  
bridge, which would reach from  
cliff to cliff and thus avoid de-  
cending and climbing the hills on  
each side.

The plan by which it is pro-  
posed to construct the bridge is  
by bond issue on the part of  
both Madison and Fayette count-  
ies, which would jointly bear  
the greater part of the expense,  
and the additional money re-  
quired for the bridge's completion,  
it is suggested, might be borne by  
the business interests.

HON. CLAUDE B. TERRELL.

As the primary election is draw-  
ing near the democratic voters of  
Graves county are beginning to  
cast about for the most suitable  
man to nominate for the office of  
State Treasurer.

Very little attention so far has  
been paid to this office although  
an important one, but in the past  
week or so the name of Hon.  
Claude B. Terrell, of Trimble  
county, is beginning to become  
very popular among the demo-  
cratic voters of Graves county  
for this important place on the  
state ticket.

Although Mr. Terrell lives  
probably 300 miles from here in  
Trimble county, yet there are  
hundreds of people in this county  
who know Mr. Terrell and many  
more who are familiar with him  
as an able Democrat and a friend  
of the great common people.

They know that he has been a  
member of the legislature per-  
haps three times and has been  
elected speaker of the lower house  
twice without opposition; they  
know that he was born and edu-  
cated in Kentucky, that he is a  
self-made man and has always  
been a tireless worker for the  
good of the people and the Demo-  
cratic party; they know he is a  
man of fairness, broadminded  
and is liberal in his views not  
only to Democrats, but to Repub-  
licans; they know that he is a  
public-spirited man and that  
while in the legislature he sup-  
ported all the measures that had  
a tendency to benefit the majority  
of the people; they know that he  
is a great friend to education  
and a constant fighter for good  
roads, good morals and a general  
uplift in the entire state; they  
know that besides his legislative  
duties he is fitted for other im-  
portant places; they know that for  
a number of years he has been a  
member of the board of trustees  
of the State University at Lexing-  
ton and that he has taken an  
active part in the conduct of that  
great educational institution; they  
know that if he is nominated and  
elected to the office of State  
Treasurer that they can be assur-

ed that the affairs of that office  
will be conducted honestly and  
according to law.

Since these people have become  
familiar enough with him and his  
life, they now believe that it is  
right and proper that his public  
services should be continued by  
nominating and electing him to  
this administration office.

All of these things being true,  
his friends should not be sur-  
prised that he will carry Graves  
county by a handsome majority.  
—Mayfield Messenger.

why he repudiated the article and refused to stand sponsor for its con-

KILLED BY TRAIN:—J. G. And-  
erson one of Mt. Vernon's good  
citizens was killed by a train at  
Hazel Patch Monday evening.  
Mr. Anderson was working for  
the railroad company with an extra  
gang. It was just after the  
heavy rain of Monday that Mr.  
Anderson and Dr. Parker had step-  
ped down on the railroad track  
and were watching the rapid rise  
of the creek while in conversa-  
tion a South Bound train appear-  
ed and Mr. Anderson and Dr. Parker  
stepped off of the Southbound  
track over on the North bound.  
Not thinking that there was a  
train coming from the other di-  
rection. Mr. Anderson was  
knocked about thirty feet and  
only lived about thirty minutes,  
yet he never did speak. Dr. Parker  
barely escaped the same fate.  
The remains were taken to Maple  
Grove for burial Tuesday. Jim  
was kind hearted, a good citizen  
and had many friends. His wife  
besides a number of relatives  
mourn his untimely death.

A new Dining Hall 20x40 feet

there will be no dirt or dust and  
you can get a meal equal to that  
served by any hotel, not only from  
a point of cleanliness, but when

TEACHERS INSTITUTE:—The  
Rockcastle County Teachers In-  
stitute began Monday and will  
close today. We have never  
known an institute held in the  
county where there was more in-  
terest manifested and a better  
feeling displayed among the teach-  
ers than the one which will close  
in Mt. Vernon today. We at-  
tribute this splendid condition  
due to the fitness of the man, for  
the place, who conducts the insti-  
tute. The instructor is Prof. J.  
W. Ireland, a former teacher in  
the schools of Mt. Vernon and  
now the head of the city school  
of Bellevue, Ky., a better man  
than he not to be had within the  
State. Just before the death of  
Supt. W. A. B. Davis, he expressed  
his intentions of employing  
Prof. Ireland for this institute  
and his choice was very wisely ad-  
hered to by his successor, Prof.  
Irvine. But few men can claim  
more admirers and warmer friends  
than "Pat" Ireland, who is always  
more than a welcome visitor to  
Mt. Vernon, no matter in what  
capacity he comes. The unani-  
mous choice of the teachers for  
instructor, for 1916 as expressed  
in the resolutions adopted is Prof.  
J. W. Ireland.

The teachers responded to every  
call and the discussions were in-  
teresting and as has often been  
remarked by outside educators  
who have come in contact with  
Rockcastle teachers, we stand sec-  
ond to no other county in the  
state. We doubt if there is an in-  
stitute held this year, where the  
entire teacher body presents a  
more creditable or better appear-  
ance, that Rockcastle's corps of  
teachers. Wednesday was held  
memorial service, in honor of the  
deceased Superintendent W. A.  
B. Davis. The Speakers Judge  
B. J. Bethuram Atty. J. W.  
Brown and Judge L. W. Bethur-  
am, made addresses paying high  
but appropriate tributes to this

life long friend and educator.  
Mr. Brown spoke of Mr. Davis as  
a friend and associate, while the  
Judges Bethuram told of their  
school boy days when students  
of Mr. Davis and later in life  
as friends and business and  
political associates. Short talks  
were made by Prof. Ireland and  
others. We have never witnessed  
a more solemn occasion or where  
deeper feeling was shown. Yester-  
day was trustee day and to the  
discredit of the trustees of Rock-  
castle we regret to have to say  
that only a very few felt the  
interest of the schools sufficiently  
to attend this important meeting.  
Robt F. Spence farm demon-  
strator and county agent gave a  
splendid talk on the importance  
of agriculture in the county  
schools. The address of Mrs.  
H. Piotrowska of Richmond, on  
"The Moonlight Schools" receiv-  
ed special attention from the teach-  
ers, a large majority of the teachers  
pledged their support in this  
noble cause, of eliminating illiter-  
acy from Rockcastle and the state  
of Kentucky. To day Atty. J. W.  
Brown will explain for the benefit  
of the teachers the Cigarette law  
and the effect of the use of cigar-  
etts.

## HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging  
Conditions, Mrs. Bullock Gave  
Up in Despair. Husband  
Came to Rescue.

Catron, Ky.—In an interesting letter  
from this place, Mrs. Bullock  
writes as follows: "I suffered for four  
years, with womanly troubles, and during  
this time, I could only sit up for a little  
while, and could not walk anywhere at  
all. Times, I would have severe pains  
in my side.  
The doctor was called in, and his treat-  
ment relieved me for a while, but I was

I had gotten so weak I could not stand,  
and I gave up in despair.

At last, my husband got me a bottle of  
Cardui, the woman's tonic, and I com-  
menced taking it. From the very first  
dose, I could tell it was helping me. I  
can now walk two miles without its  
tiring me, and am doing all my work."

If you are all run down from womanly  
troubles, don't give up in despair. Try  
Cardui, the woman's tonic. It has helped  
more than a million women, in its 50  
years of continuous success, and should  
surely help you, too. Your druggist has  
sold Cardui for years. He knows what  
it will do. Ask him. He will recom-  
mend it. Begin taking Cardui today.

## CLAUDE B. TERRELL

The Hon. Claude B. Terrell, twice honored with the Speakership of the House of Representatives, is now seeking the Democratic nomination for Treasurer on the State ticket. Mr. Terrell has been an ardent supporter of the good roads movement from the beginning, and he has devoted much of his time and talent to the cause of good roads in this State, and his service in behalf of better roads for the whole people cannot be overestimated.

He has been closely associated with the educational interest of the State for many years, and popular education has no stronger advocate than Mr. Terrell, who has labored constantly to benefit all the children of Kentucky with a thorough and practical education.

His influence has been wielded actively for progressive measures and he has been a tower of strength in all forward movements.

Mr. Terrell has not only rendered valuable official service to the people of Kentucky, but he has also been a stalwart Democrat and has helped to wage the battles of Democracy from the stump and has served in the capacity of assistant to the Democratic campaign chairman of the State. He is a business man of large experience, of strictest integrity and is honest, faithful, able and loyal to all he professes, and if elected to the offices of State Treasurer he can be depended upon to fill that responsible position with the utmost fidelity and to perform its duties most capable and efficiently.

The Kentucky Standard.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

## Prominent Man Praises Tanlac

State Superintendent of Printing Voluntarily Pays Tribute to New Remedy

Frankfort, Ky., ..... A high State official is one of those who have come forward voluntarily to add his voice to the chorus of praise for Tanlac, the peerless preparation. This is Moses R. Glenn, State Superintendent of Printing, whose office is in Frankfort.

"I think I had tried every remedy there is before I learned about Tanlac," he said recently. "I had a catarrhal affection, and could sleep very little because I swallowed the secretions from my throat. Of a morning I woke from a troubled slumber with a choking sensation, and would cough and spit nearly all day.

"As soon as I began taking Tanlac I experienced an improvement. I had little faith at first that any medicine would help me, and so I am the more ready and even eager to say a word about this preparation. As a rule I am conservative and unwilling to give my endorsement to anybody or anything, but this is an exceptional case. The itching in my ears is gone, I sleep soundly, and the accumulation in my nose and throat has disappeared. I want others to know how much good Tanlac has done me."

Tanlac is now being introduced in Mt. Vernon, at Chas. C. Davis' drug store and can also be obtained at the Central Drug Co's., store at Livingston or John Robins' drug store Brodhead, Ky.
